Ahmedabad, Gujarat, India | +91 85114 96732 | rohitdangarcool@gmail.com | linkedin.com/in/rohit-dangar-168426177

PROFESSIONAL SUMMARY

Performance Marketing Specialist with hands-on experience managing Meta advertising campaigns for US-based eCommerce brands and agency clients. Strong in paid social execution, audience testing, creative testing, budget pacing, ROAS improvement, CPA reduction, competitor research, and affiliate prospecting. Core strength is Meta Ads, supported by agency-level understanding of Google Ads account structure, Performance Max logic, lead-generation funnels, Klaviyo/email flows, affiliate marketing research, and full-funnel performance strategy.

CORE SKILLS

• Meta Ads Manager	• Facebook & Instagram Ads	• Paid Social	• Media Buying
• eCommerce Growth	• Audience Testing	• Creative Testing	• Budget Optimization
• ROAS / CPA Optimization	• TOF / MOF / BOF Funnels	• Competitor Research	• Google Ads Fundamentals

PROFESSIONAL EXPERIENCE

GROUP 8A - New York, USA | Remote

Paid Social Associate / Social Media Marketing Associate | Jan 2024 - Present

- Managed 5 Meta advertising accounts simultaneously with daily budgets of approximately \$100-\$2,000 for US eCommerce brands.
- Built and optimized campaigns, ad sets, ads, custom audiences, budgets, UTMs, copy, placements and creative deployments inside Meta Ads Manager.
- Optimized using ROAS, CPA, CTR, CPC, spend pacing, funnel stage, creative performance and 7-day vs 30-day performance trends.
- Worked across TOF, MOF and BOF structures, maintaining acquisition-focused budget distribution and structured weekly testing.
- Launched high-volume creative tests for brands such as Pajamagram, including 20-30 new ads weekly during active testing periods.
- Conducted competitor research using Meta Ad Library, brand websites, creative patterns, offer structures and market positioning.
- Worked with Meta support/account representatives to identify growth opportunities and test new audience strategies.

Selected Wins

- Autumn Cashmere: Built and tested a new audience strategy that improved CTR from approximately 1.5% to 4% and achieved ROAS of 4-5 against a 2.5 target.
- iPostal1: Helped reduce CPA from over \$200 to approximately \$150 per signup through structured audience testing and optimization.
- Supported larger accounts including Liverpool, Pro Standard and Echelon with daily budget adjustments, ROAS reviews and Black Friday scale; assisted on accounts spending approximately \$30,000/day and around \$100,000/day during peak periods.
- Brands worked on: Autumn Cashmere, Peek Kids, Eat Clean, iPostal1, Marcus Adler, Pajamagram, Liverpool, Pro Standard, Echelon.

GROUP 8A - New York, USA | Remote

Affiliate Sales Executive / Affiliate Research Support | Internal Transition

- Researched potential affiliate and publisher partners using Awin, Impact, Rakuten, CJ, Skimlinks, Semrush, BuiltWith, Google Trends and competitor analysis.
- Checked HubSpot CRM before outreach, researched revenue signals, employee size, website traffic, commission rates, tech stack, Amazon presence and top affiliate competitors.
- Supported email outreach and appointment setting for senior managers/owners responsible for closing partnership deals.
- Built practical understanding of affiliate as a performance-driven channel involving publishers, content partners, product placements, commissions and third-party credibility.

GROUP 8A - New York, USA | Remote

Social Media Marketing Associate | Sep 2021 - May 2022

- Executed Facebook advertising campaigns for US eCommerce clients, including campaign setup, ad set creation, ads, audiences and budget structures.
- Prepared reporting inputs using Excel and metrics including ROAS, CTR, CPC, CPA and spend; coordinated with internal teams and client-facing managers.

GROUP 8A - New York, USA | Remote
